I joined Bevan Brittan as a partner responsible for Risk and Best Practice in August 2007. Prior to that I had a similar role at TLT LLP. My background is in commercial litigation, professional negligence and professional conduct.

I am responsible for compliance at Bevan Brittan in the widest sense and I am a member of the management team. I am the complaints partner and would encourage any client with concerns or queries to contact me and I will do my best to assist.

I am a mediator and have a particular interest in analysing how disputes arise in order to solve them.
