From our Managing Partner

“By continuing to deliver sustainable growth and profitability, our year end results reflect what has been a confident and successful year for the firm. We have a sound financial platform to further deliver excellent client service in the year ahead.

Bevan Brittan is benefiting from a clear strategy to broaden our markets and range of clients (with 23% of our clients from the private sector), to continue to invest in our teams, new hires and new technology and the opening our Leeds office”.
